School Features

History of the GWCC

St Paul's Catholic College commenced in 1984 under the name St Paul's High School. The impetus for the establishment of a Catholic Secondary school to serve the Westlakes region came originally from parents as far back as 1972. A committee was set up in the Parish of Toronto to work towards the setting up of such an educational facility. The Catholic Church already owned land at Booragul on the current parish church site and negotiations commenced with the Housing Commission for the acquisition for more land adjacent to this site. The College opened with an enrolment of approximately 240 in both Year 7 and 8. For several years St Paul's offered a Year 7 – 10 education before transitioning to a 7 - 12 school in the mid 1990's.

The school changed its name to St Paul's Catholic College in 2018 and in 2023 the current enrolment is 665.

- maintaining accurate records of student attendance
- recognising and rewarding excellent and improved student attendance
- implementing programs and practices to address attendance issues when they arise.

2023 saw students once again participate in regular cultural activities. These included the annual diocesan performances, DioSounds in Term 2 and the ASPIRE production in Term 3. Proudly, St Paul's had a very high number of students participating in the ASPIRE

Student Performance in Tests and Examinations

NAPLAN

Students in Years 3, 5, 7 and 9 across Australia participated in the National Assessment Program Literacy and Numeracy (NAPLAN). The purpose of NAPLAN is to provide information to parents and teachers about the achievements of students in literacy and numeracy. The test provides a measure of the student's performance against established standards and against other students in Australia. Each year the results are analysed by the school to inform teaching with a view to improving student performance.

From 2023, NAPLAN results are reported against proficiency standards with 4 levels of achievement to give teachers, parents and carers clearer information on how students are performing:

- Exceeding: The student's result exceeds expectations at the time of testing.
- Strong: The student's result meets challenging but reasonable expectations at the time of testing.
- Developing: The student's result indicates that they are working towards expectations at the time of testing.
- Needs additional support: The student's result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The percentage of student achieving at Exceeding and Strong proficiency standards in NAPLAN at St Paul's High School for 2023 is reported in the table below.

It refers to the overall climate of care that exists within a Catholic school.

The environment is designed to be safe and inclusive, one that promotes academic rigour. A high priority is given to building and maintaining positive and caring relationships between staff, students and parents, and the wellbeing of all.

Behaviour Management and Student Discipline Policy

The College's policies and procedures for the management of student behaviour are aligned the CSO [Student Wellbeing and Pastoral Care Policy](#) and to the [Suspension, Exclusion and Expulsion Procedure](#). Complaints Handling Policy

The Diocese of Maitland-Newcastle has established a [Complaints Resolution Policy](#) which is implemented by our school and all systemic schools in the diocese. The rationale for the policy is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. CSO monitors the implementation of this policy.
