Within this context, Catholic schools in the Diocese of Maitland-Newcastle educate from and for vibrant, welcoming and diverse communities with a particular commitment to the poor; for justice, integrity and peace; and with hope for the future.:

At the heart of everything there is always Jesus Christ.

Catholic schools educate:

- · · · · · From and for excellence in learning
- · · · · · In a rigorous, creative and critical pursuit of truth

.

The Catholic Identity of St Joseph's has been promoted through a variety of prayerful and liturgical activities- with the recital of our School Prayer and School Vision Statement at the start of each week (also included in the Parent handbook) and with the praying of appropriate classroom prayers during the school day. In 2023 the school was able to celebrate the Opening School Mass with the whole school community. We were also able to gather and celebrate together for class/Parish masses, Holy Week, Easter, Sunday school/Parish Masses, Advent and Christmas. We finished the year with the end of Year Mass and passing of the light ritual for Year 6.

During 2023 the opportunity to forge strong links with the Parish were enhanced with open classroom opportunities, student attendance at Friday Mass, sharing of school newspaper with the Parish community and Parish Priest regular presence at school and staff functions. Many of the local parishioners are extended family members of our students and they were able to witness our liturgy and prayer times through attendance at and viewing images in our school newspaper and in our COMPASS feeds sent to our family groups.

Student Performance in Tests and Examinations

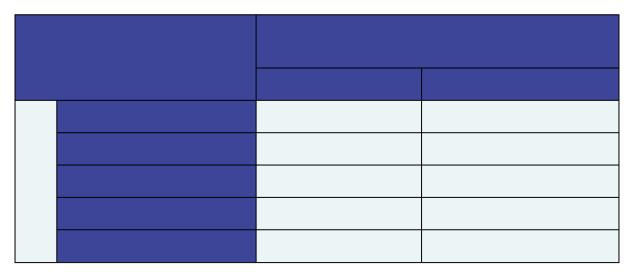

NAPLAN

Students in Years 3, 5, 7 and 9 across Australia participated in the National Assessment Program Literacy and Numeracy (NAPLAN). The purpose of NAPLAN is to provide information to parents and teachers about the achievements of students in literacy and numeracy. The test provides a measure of the ghi XYbhig performance against established standards and against other students in Australia. Each year the results are analysed by the school to inform teaching with a view to improving student performance.

From 2023, NAPLAN results are reported against proficiency standards with 4 levels of achievement to give teachers, parents and carers clearer information on how students are performing:

- i Exceeding: The gh XYbhg result exceeds expectations at the time of testing.
- i Strong: The ghi XYbhig result meets challenging but reasonable expectations at the time of testing.
- i Developing: The ghi XYbhig result indicates that they are working towards expectations at the time of testing.
- i Needs additional support: The ghi XYbhig result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The percentage of student achieving at Exceeding and Strong proficiency standards in NAPLAN at St >cgYd\\"ig PS for 2023 is reported in the table belowbelow

Pastoral Care and Student Wellbeing

Pastoral Care Policy

The School's pastoral care and student wellbeing policies guidelines and procedures are informed by the Student Wellbeing and Pastoral Care Policy.

The Student Wellbeing and Pastoral Care Policy 2022 aims to provide a framework for the policies, programs, resources and practices implemented at system and school level with the purpose of supporting and enhancing the wellbeing of students, and all within its school community. It refers to the overall climate of care that exists within a Catholic school.

The environment is designed to be safe and inclusive, one that promotes academic rigour. A high priority is given to building and maintaining positive and caring relationships between staff, students and parents, and the wellbeing of all.

.

Behaviour Management and Student Discipline Policy

The School's policies and procedures for the management of student behaviour are aligned the CSO Student Wellbeing and Pastoral Care Policy and to the Suspension, Exclusion and Expulsion Procedure. The dignity and responsibility of each person is promoted at all times along with positive student behaviours whilst ensuring respect for the rights of all students and staff. Corporal punishment is expressly prohibited in this School. The School does not sanction administration of corporal punishment by School persons and non-School persons, including parents, to enforce discipline in the School. Anti-Bullying Policy

The Catholic Schools Office has established an Anti-Bullying Policy which is implemented by our school and all schools in the diocese. It provides a framework for school communities to work together to prevent and address issues of student bullying, in order to build respectful relationships that respond effectively and sensitively to the needs of each person. The CSO monitors the implementation of this policy.

The full text of the Anti-Bullying Policy may be accessed on the School's website, the administration office or at the CSO website.

Complaints Handling Policy

The Diocese of Maitland-Newcastle has established a Complaints Resolution Policy which is implemented by our school and all systemic schools in the diocese. The rationale for the policy is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. CSO monitors the implementation of this policy.
